UrbSTEAM Teaching STEAM through Urban Garden Based Learning in the kindergarten

Project number: 2021-1-EL01-KA220-SCH-000034476

The first result of the project is available, it is a Manual of best practices on garden-based learning and development of Educational material. It is available in 5 different languages :

- [Read our manual in English](#)
- [Read our manual in Croatian](#)
- [Read our manual in Greek](#)
- [Read our manual in Italian](#)
- [Read our manual in Turkish](#)

The project has three main target groups:

1. Kindergarten & preschool teachers (direct target group)
2. Children of preschool ages in which the direct group will pilot with the project deliverables (indirect).
3. There will be also another indirect target group which is organisations which are interested in piloting the deliverables of the project within their organisations : kindergartens, creative labs for children, associations of teachers etc.
